

# BMSC: A Jewel Among Canadian Research Resources

*Bamfield Marine  
Sciences Centre*

*Colin Bates*

# BMSC: A Jewel Among Canadian Research Resources

*Dave Denning*

*Cape Beale*

A research & training facility on the rugged Pacific Coast . . .

# BMSC: A Jewel Among Canadian Research Resources

*Kirby Point*

Carin Bondar

. . . where people learn about the power of Nature first hand.

# BMSC: A Jewel Among Canadian Research Resources

*Broken Island Group, Pacific Rim National Park*

Kim Baglot

. . . where researchers have access to a stunning diversity of pristine marine and coastal environments.

# BMSC: A Jewel Among Canadian Research Resources

*Helby Island, Deer Group, Barkley Sound*

*Dave Denning*

. . . where researchers have access to a stunning diversity of  
pristine marine and coastal environments.

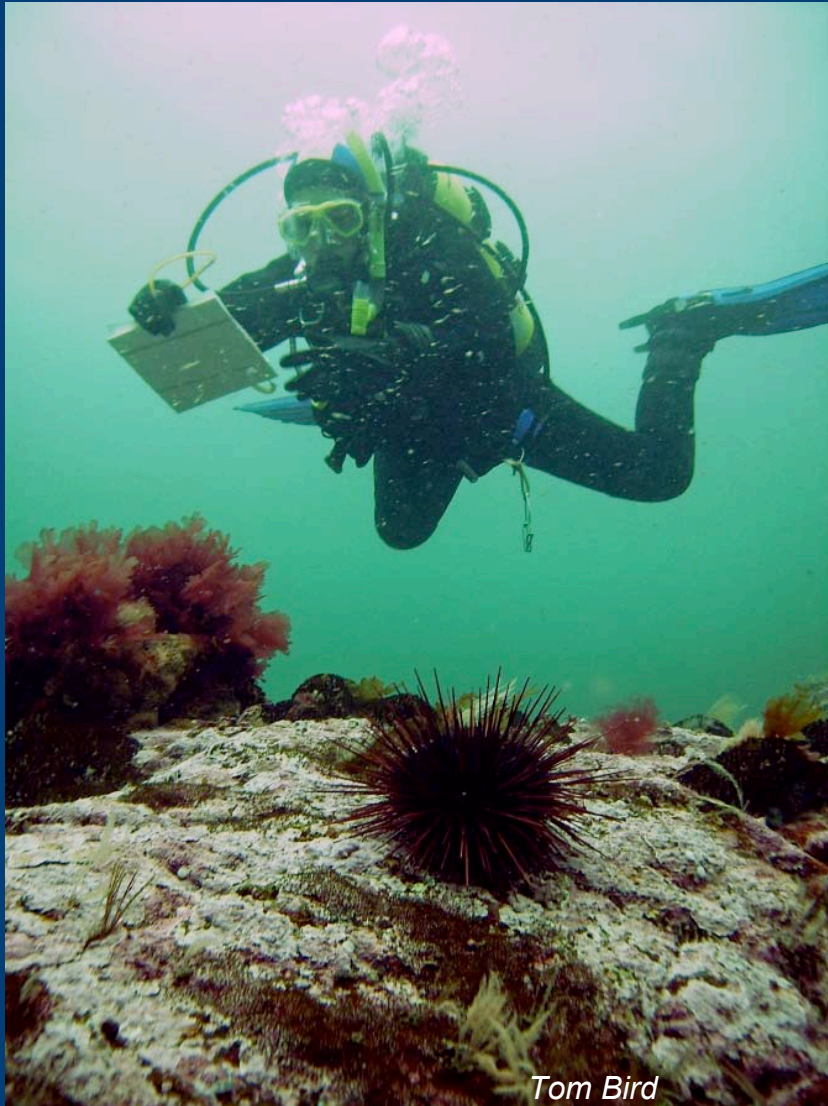

# BMSC: A Jewel Among Canadian Research Resources

*Charles Seaborn, Rich Palmer*

. . . where researchers can study an extraordinary diversity of organisms.

# BMSC: A Jewel Among Canadian Research Resources

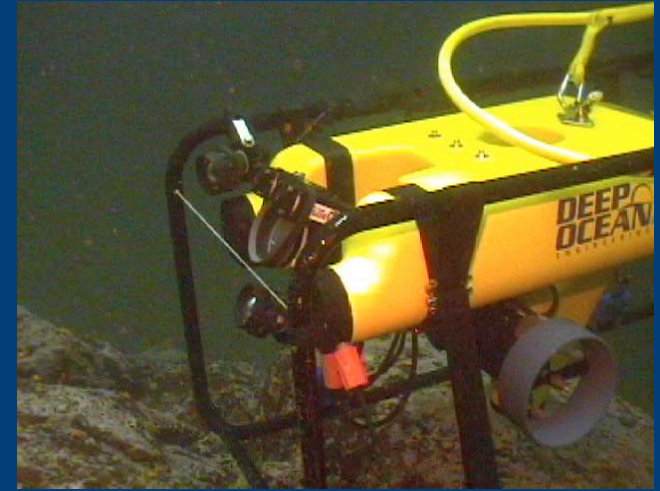

*Tom Bird*

*Rich Palmer*

. . . where more species of echinoderms and macroalgae occur than almost anywhere else on earth.

# BMSC: A Jewel Among Canadian Research Resources

Arin Yeomans Roulledge, Alana Jung, Eric Gibb

. . . where a versatile fleet of vessels supports field research.

# BMSC: A Jewel Among Canadian Research Resources

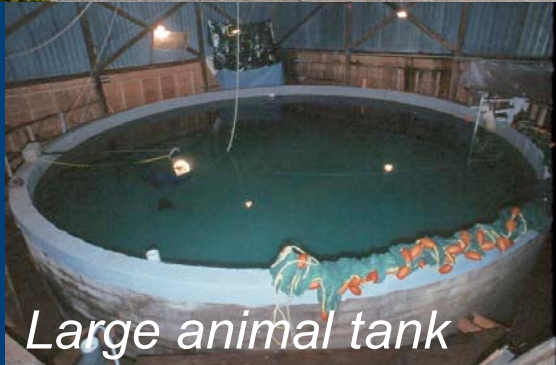

*Rix Centre for Ocean Discoveries*

*Rich Palmer, Sally Leys*

*Confocal microscope*

*Large animal tank*

*Fluid Dynamics Laboratory*

. . . where well-equipped research laboratories lie close to  
unsullied natural environments.

# BMSC: A Jewel Among Canadian Research Resources

Rich Palmer, Tanya Luscz, Ron Long

. . . where active research enriches a national award-winning Public Education Program — a pathway to careers in research.

# BMSC: A Jewel Among Canadian Research Resources

*covers from  
BMSC  
publications*

. . . where ecologists, physiologists and molecular biologists discover unexpected research synergies in a common setting.

# BMSC: A Jewel Among Canadian Research Resources

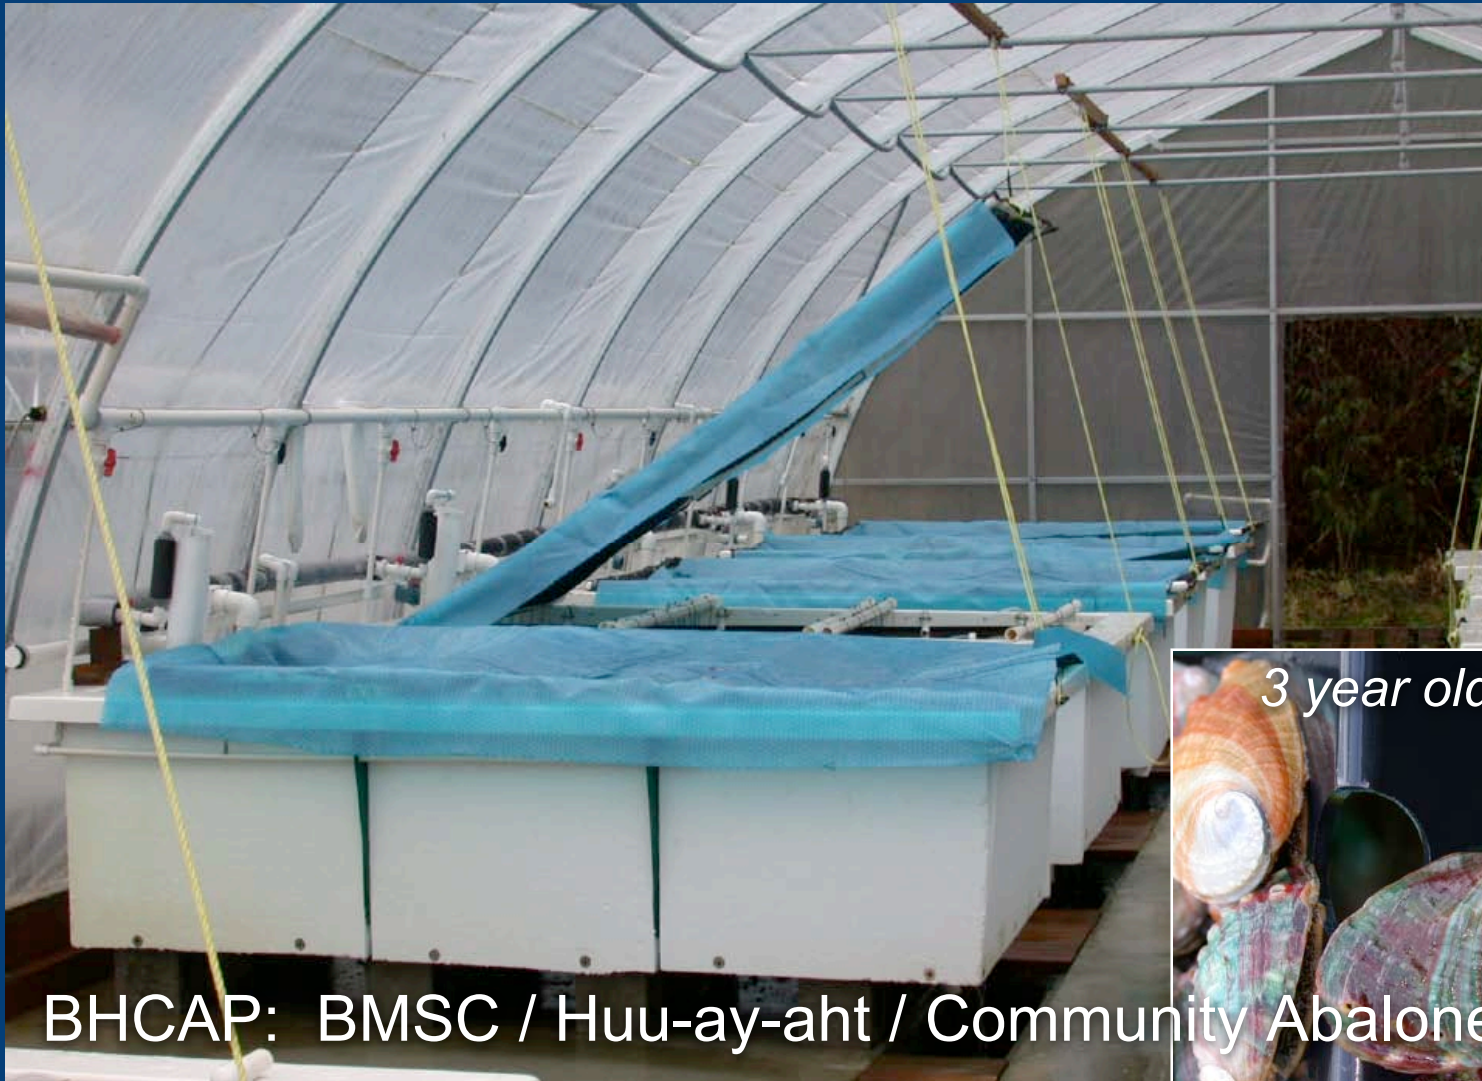

*Bowker family, winner of a 2005 "Friends of NSERC" award*

*Leigh Chisholm*

- . . . where academic scientists engage in R & D partnerships with local fisherman and First-Nations people.

# BMSC: A Jewel Among Canadian Research Resources

BHCAP: BMSC / Huu-ay-aht / Community Abalone Project

*Rich Palmer*

*3 year old abalone*

. . . where academic scientists engage in R & D partnerships with local fisherman and First-Nations people.
